

SWEETIE KINGDOM

Sweets - Ingredients & Allergen Information

Important: This information is compiled from supplier/manufacturer labels previously supplied, Sweetie Kingdom stock records and, where noted, current manufacturer information. Recipes and allergen statements can change. Always check the current original packaging before advising a customer with an allergy or intolerance. Loose pick & mix is handled in a shared retail environment.

General Sweets

Milk Bottles

Ingredients / description: Readable label information includes sugar, glucose syrup, wheat/corn starch (wording partly unclear), beef gelatine, flavouring, sunflower oil and carnauba wax.

Best before: _____

Filled Lips

Ingredients / description: The ingredient list was not readable enough from the supplied label image to transcribe safely.

Allergens / may contain: Allergen information could not be safely verified from the supplied image.

Other information: The pack carries colour/additive warning information. Check the current original packaging.

Best before: _____

Liquorice Flavour Wheels

Ingredients / description: The product was identified on the supplied label, but the full ingredient list was not readable enough to transcribe safely.

Allergens / may contain: Allergen information could not be safely verified from the supplied image.

Other information: Check the current original supplier packaging before allergy or dietary advice.

Best before: _____

Filled Bananas - Vidal

Ingredients / description: The product was identified as Filled Bananas / Bananas Rellenas. Colours E100 and E133 were visible, but the complete ingredient list was not readable.

Allergens / may contain: Allergen information could not be safely verified from the supplied image.

Other information: Check the original packaging before giving allergy or dietary advice.

Best before: _____

Grapes Double Layer Gummy

Ingredients / description: The product name was readable, but the complete ingredient list was not clear enough to transcribe safely.

Allergens / may contain: Allergen information could not be safely verified from the supplied image.

Other information: Check the original packaging before giving allergy or dietary advice.

Best before: _____

Mint Flavoured Hard Sugar Candy

Ingredients / description: Sugar, peppermint oil, stabiliser: acacia gum.

Allergens / may contain: May contain **PEANUTS** and other **NUTS**.

Other information: Not suitable for children under 36 months due to potential choking hazard.

Best before: _____

Sugar Free Mintoes

Ingredients / description: Sweeteners: isomalt, sucralose; **BUTTER (MILK)**; peppermint oil, vanilla flavouring, plain caramel colour and salt.

Allergens / may contain: Contains **MILK**.

Other information: Excessive consumption may produce laxative effects. Not suitable for children under 3.

Best before: _____

Foam Sweets

Strawberry Flavour Foam Sweets

Ingredients / description: Sugar, glucose syrup, water, pork gelatine, citric acid, coconut oil, carnauba wax, flavouring and vegetable concentrate(s).

Allergens / may contain: No UK regulated allergen is clearly declared in the readable supplier label.

Other information: Contains pork gelatine. Supplier label states dairy free.

Best before: _____

Kingsway Mini Foam Bananas

Ingredients / description: Sugar, glucose syrup, pork gelatine, citric acid, flavouring, safflower concentrate and beetroot red colour.

Allergens / may contain: May contain **NUTS** and **PEANUTS**.

Other information: Contains pork gelatine; not suitable for vegetarian or vegan diets.

Best before: _____

Kingsway Foam Smileys

Ingredients / description: Product confirmed in Sweetie Kingdom stock records, but a complete readable ingredient/allergen label is not available in the supplied records.

Allergens / may contain: Check the current original Kingsway supplier packaging before allergy advice.

Other information: Do not infer allergen-free status from the product name.

Best before: _____

Kingsway Sour Foam Smileys

Ingredients / description: Product confirmed in Sweetie Kingdom stock records, but a complete readable ingredient/allergen label is not available in the supplied records.

Allergens / may contain: Check the current original Kingsway supplier packaging before allergy advice.

Other information: Sour/foam sweet; do not infer dietary suitability without the current pack.

Best before: _____

BUBS Banana & Caramel Foam Sweets

Ingredients / description: Glucose-fructose syrup, sugar, cornstarch, water, malic acid, sodium citrate, potato protein, flavours, colours E150d and E100, coconut oil and carnauba wax.

Allergens / may contain: No UK regulated allergens were declared on the supplied packaging.

Other information: No gelatine listed on the supplied record.

Best before: _____

BUBS Sour Foam Romb Tutti Frutti

Ingredients / description: The product is confirmed in Sweetie Kingdom's supplier stock record. A complete ingredient list was not retained in the readable allergen record.

Allergens / may contain: No UK regulated allergens were declared in the supplier information previously checked.

Other information: Previously recorded as vegan and vegetarian; verify the current original pack before publishing a dietary claim.

Best before: _____

HARIBO

HARIBO Tangfastics

Ingredients / description: Glucose syrup, sugar, gelatine, dextrose, citric acid, malic acid, caramelised sugar syrup, calcium citrates, sodium hydrogen malate, fruit and plant concentrates, flavouring, elderberry extract and carnauba wax.

Allergens / may contain: No UK 14 regulated allergen is specifically declared in the current manufacturer ingredient list.

Other information: Contains gelatine. Current HARIBO UK manufacturer information checked; always compare with the pack actually supplied.

Best before: _____

HARIBO Starmix

Ingredients / description: Glucose syrup, sugar, dextrose, gelatine, fruit juices from concentrate, citric acid, caramelised sugar syrup, fruit and plant concentrates, sunflower oil, flavouring, beeswax and elderberry extract.

Allergens / may contain: No UK 14 regulated allergen is specifically declared in the current manufacturer ingredient list.

Other information: Contains gelatine. Current HARIBO UK manufacturer information checked; always compare with the pack actually supplied.

Best before: _____

HARIBO Giant Strawbs / Giant Strawbs Gone Mini

Ingredients / description: Glucose syrup, sugar, starch, strawberry juice from concentrate, citric acid, fruit and plant concentrates, caramelised sugar syrup, sunflower oil, flavouring, beeswax and elderberry extract.

Allergens / may contain: No UK 14 regulated allergen is specifically declared in the current manufacturer ingredient list.

Other information: HARIBO UK states Giant Strawbs are suitable for vegetarians. Check the exact mini-bag pack before publishing.

Best before: _____

HARIBO Yellow Bellies

Ingredients / description: Product confirmed in Sweetie Kingdom's Hancocks stock record (3 kg). A complete readable manufacturer ingredient label was not found in the supplied allergen records.

Allergens / may contain: Check the current original HARIBO/Hancocks packaging before allergy advice.

Other information: Do not copy the allergen statement from another HARIBO product because formulations differ.

Best before: _____

HARIBO Terrific Turtles

Ingredients / description: Product confirmed in Sweetie Kingdom's Hancocks stock record (3 kg). A complete readable manufacturer ingredient label was not found in the supplied allergen records.

Allergens / may contain: Check the current original HARIBO/Hancocks packaging before allergy advice.

Other information: Do not infer suitability from other HARIBO products.

Best before: _____

Shop / website note: Loose pick & mix sweets are handled and displayed in a shared retail environment. Do not state that a loose sweet is completely free from traces of an allergen unless your current supplier information and handling controls support that claim.
