## Saltwater Taffy – Allergen Folder

### Allergen summary

For the Taffy Town saltwater taffy range listed in this folder, the manufacturer states that all flavours contain **MILK** and **EGG**. The manufacturer also states that its factory is free from peanuts, tree nuts and gluten, and describes its taffy as soy-allergen-free.

**Important:** Peanut Butter and Peanut Butter & Jelly are flavour names. Taffy Town states that these products use flavouring to mimic peanut butter and are peanut-free.

Always retain the original packaging/supplier specification and check it when serving a customer with an allergy, as recipes and manufacturing information can change.
